This mature co-ed group's mission is to cover the bible, Genesis to Revelation, in 5 years, comparing then and now discovering along the way that civilization has not advanced in certain areas for 2000+ years. Each week reveals new tidbits that help in our daily walk with the Lord.

This class is known for its fellowship and love for each other. 9:00-9:30 is fellowship with cookies and coffee. Join us weekly in our small group as we unpack the wisdom, knowledge and direction as can only be told through the Holy Bible. We also have our own bluegrass band, Hal's Angels!

Ladies Class

Ladies (and girls) Only Group (Worship Center Fellowship Hall Classroom B)

Leader: Deborah Kautz, Director: Debbie Ables

A group of ladies of all ages who love the Lord, love to study God's word, love others and wholeheartedly welcome visitors and new members. We bring our prayer requests to God and watch to Him for an answer. Our group is also currently supporting our WEBC military members through prayer, emails, texts and care packages.

Adult Class

Family Focus Group (Worship Center Fellowship Hall Classroom C)

Leader: Linda Yochim, Director: Tom Yochim

We are an active friendly co-ed group of singles through grandparents. Our Mission is to build stronger families and healthy relationships through studying God's Word, fellowship, and recreation. Our Vision is that each member and guest experiences spiritual growth; growth in the areas of Bible Study, Discipleship, Worship; and confidence in Sharing the Gospel of Jesus Christ. Family Focus is currently immersed in a 6 week bible study series.

"...choose for yourselves this day whom you will serve ... for me and my household, we will serve the Lord." Joshua 24:15 NIV.

Growing God's family from promising young people to producing young people- producing fruit that is pleasing to God. We will use God's perfect guidebook, the Holy Scriptures, to reveal the good plan He has for each of us focusing on relationships with S.O., spouse, children and friends.

High School & Middle School Class

"IGNITE!" Students 6th-12th grade ages (Classroom D, on the hill)

Leader: Bobby Ables, Director: Sheila Keen

This Sunday school class is for high school and junior high school youth boys and girls. We are currently immersed in a study called "Youth World" which addresses certain issues our youth face today and how Christians react from a biblical perspective. Our weekly bible verse spinning wheel has been a favorite for years and is a great tool for learning new bible verses.
