

SUNDAY SCHOOL AT WEST END BAPTIST CHURCH

9:30AM Bible Fellowship Groups

Senior Adults Classes

Over the Hill Group (Small Classroom, Worship Center)

Leader: Jim Grant

This mature group's mission is to cover the bible, Genesis to Revelation, in 5 years, comparing then and now discovering along the way that civilization has not advanced in certain areas for 2000+ years. Each week reveals new tidbits that help in our daily walk with the Lord.

A Light on the Hill (Main Classroom – Fellowship Hall/Worship Center)

Leader: Larry Eder

This class is known for its fellowship and love for each other. 9:00-9:30 is fellowship with cookies and coffee. Join us weekly in our small group as we unpack the wisdom, knowledge and direction as can only be told through the Holy Bible.

Ladies Class

Ladies (and girls) Only Group (Worship Center Fellowship Hall Classroom B)

Leader: Deborah Kautz, Director: Debbie Ables

A group of ladies of all ages who love the Lord, love to study God's word, love others and wholeheartedly welcome visitors and new members. We bring our prayer requests to God and watch to Him for an answer. Our group is also currently supporting our WEBC military members through prayer, emails, texts and care packages.

Adult Class

Family Focus Group (On "The Hill")

Leader: Rotating, Director: John Gommel

We are a group of mature believers with a wide range of backgrounds, ages, and circumstances: married, single, widowed.

We enjoy close relationships and time in fellowship. We prayerfully share in one another's burdens, support one another, and celebrate when we see our God working in our lives. We contribute to our community. And, we are fun!

Our time together each Sunday starts with fellowship, coffee, and snacks; then praises and prayer, followed by Bible study. Currently we are studying individual books of the Bible, verse by verse.

Join us on The Hill!

Young Adult Co-Ed Class

Young Marrieds and Singles- OnedayWeds, NearlyWeds & NewlyWeds (Classroom C, on the hill)

Leaders: Bob and Peggy Tompkins

Growing God's family from promising young people to producing young people- producing fruit that is pleasing to God. We will use God's perfect guidebook, the Holy Scriptures, to reveal the good plan He has for each of us focusing on relationships with S.O., spouse, children and friends.

High School & Middle School Class

"IGNITE!" Students 6th-12th grade ages (Classroom D, on the hill)

Leader: Bobby Ables

This Sunday school class is for high school and junior high school youth boys and girls. We are currently immersed in a study called "Youth World" which addresses certain issues our youth face today and how Christians react from a biblical perspective. Our weekly bible verse spinning wheel has been a favorite for years and is a great tool for learning new bible verses.

Children's Classes

"KID CONNECTION!" Elementary ages (Classroom A, on the hill)

Leaders: Sheila Keen

This Sunday school class is our elementary age kids who yearn for a kid based understanding of Jesus and the scripture. Kiddos will learn about walking with Christ through a fun time of activities and fellowship.
